BELVEDERE CUP April 19-20, 2008 SAILING INSTRUCTIONS

Organizing Authority (OA): The San Francisco Yacht Club, Belvedere, California

1 RULES

- 1.1 The event will be governed by the 'rules' as defined in the 2005-2008 Racing Rules of Sailing (RRS), including Appendix C. J/105 Fleet One Class Rules will apply, except as modified by the Notice of Race or these Sailing Instructions.
- 1.2 When a starboard tack boat completes a *dial down* (see definition below) manoeuvre, she is putting the boats and crews at risk of serious peril. Such action violates a fundamental principal of sportsmanship and shall be black-flagged by an umpire.

Definition: Dial down - When on a windward leg of the course, a starboard tack boat alters course away from the wind causing a converging port tack boat to do the same to keep clear and continues such action past 90 degrees to the wind.

- 1.3 When the match umpires decide that a boat has broken RRS 14 and damage results, they may, without a hearing, impose a penalty of half of one point. A competitor who is so penalized will be informed as soon as practical and may request a hearing. The Jury will then proceed in accordance with RRS C6.6. The penalty, if any, decided by the Jury may be more than half of one point. When the umpires decide that a penalty greater than half of one point would be appropriate they shall act in accordance with RRS C8.4.
- 1.4 The violations of Fleet One Class Rule regarding the extension of the bow sprit will be an umpire-initiated penalty, per RRS C8.2.
- 1.5 Penalties on protests for violation of rules other than part 2 are at the discretion of the jury. The decision may range from imposing no penalty to an overall point reduction(s).
- 1.6 If there is a conflict between the Sailing Instructions and the NOR, the Sailing Instructions shall prevail over the NOR.

- 1.7 RRS 40.1 is deleted and replaced with: "All competitors shall wear life jackets or adequate personal buoyancy while racing." Note that Flag Y will not be displayed.

2 ENTRIES and ELIGIBILITY

- 2.1 While racing, the registered skipper shall not leave the helm, except in an emergency.
- 2.2 When a registered skipper is unable to continue in the event, the Chief Umpire must authorize any substitution.
