If the Race Committee intends to start another race on the same day, it will display the Second Substitute (with no sound) while boats are finishing. The Wosser Cup will include two races and the warning signal for the second race will be made as soon as practicable after completion of the first race. To alert boats that another race will begin soon, a series of short sound signals and a radio announcement may be made on VHF 65.

## 5 CLASS FLAGS

Class flags will be standard alpha signal flags:

<u>Division</u>	<u>Flag</u>
Non-Spinnaker	D
Spinnaker	E

## 6 COURSES AND MARKS

6.1 Courses and Marks will be described on **Attachment A**.

6.2 (Amended 4/20) Numerical placards displayed from the race committee signal boat will designate the course. The Race Committee may fly signal flag TANGO signifying "Twice Around." In this case, for courses finishing downwind, the finish line will become a gate for the start of the second time around. For upwind finishes, boats must pass through the S/F line to begin the second time around.

6.3 (Amended 4/20) The Race Committee may choose to combine two different courses, to be sailed in order, by flying signal flag FOXTROT and displaying two course numbers. The courses themselves will be displayed on numerical placards in the order they should be sailed, separated by a 'dash.' For downwind finishes, the finish line will become a gate for the start of the second course. For upwind finishes, boats must pass through the S/F line to begin the second course.

## 7 THE START

7.1 Races will be started by using RRS 26. The Warning Signal for the second division will be after the starting signal for the preceding division. Divisions may be started in either order, but it is expected that the Non-Spinnaker Division will start first in each race. Please monitor VHF Channel 65.

7.2 The starting line will be between a staff displaying an orange flag on the race committee signal boat and a red/orange inflatable mark, or the starting line will be between staffs displaying orange flags on two race committee boats.

7.3 Boats whose warning signal has not been made shall avoid the starting area.

7.4 A boat starting later than 5 minutes after her starting signal will be scored did not start (DNS). This changes rule A4.1.

## 8 CHANGE OF THE NEXT LEG OF THE COURSE

To change the next leg of the course, if inflatable marks are used, the race committee will move the original mark (or the finishing line) to a new position.

## 9 THE FINISH

The finishing line will be between a staff displaying an orange flag on a race committee mark boat and a red/orange inflatable mark, or between staffs displaying orange flags on two race committee mark boats.

## **10 TIME LIMITS**

The time limit for each race day will be 1700 hours. Boats finishing after the time limit will be scored DNF. This changes RRS 35.

## **11 PROTESTS AND REQUESTS FOR REDRESS**

**11.1** Protest forms will be available at the Regatta Table in the clubhouse. Protests shall be delivered to the race committee representative at the Regatta Table within the protest time limit, which shall be 30 minutes after the committee boat returns to the dock. The return time will be posted on the official notice board.

**11.2** Protests will be heard in approximately the order of receipt as soon as possible.

## **12 SCORING**

**12.1** Finish positions for each race will be determined by corrected time, based on PHRF time-on-distance.

**12.2** The Low Point Scoring System will apply for the Club Series, with the following exception: boats disqualified (DSQ) will be awarded two points more than the number of starters in that race, and all other boats not awarded finish positions will receive one more point than the number of starters in that race. This changes RRS A4.2.

Each boat's Series score will be a total of her race scores excluding her two worst scores. RRS A9 does not apply.

**12.3** A maximum of nine races are scheduled.

## **13 SAFETY REGULATIONS**

**13.1** Attention is drawn to Club Series Rule 5 concerning Commercial Traffic.

**13.2** A boat that retires from a race shall notify the race committee as soon as possible.

## **14 RADIO COMMUNICATION**

The Race Committee may broadcast information about the day's racing on VHF Channel 65. The failure of any boat to hear the hail, the hail of some but not all OCS boats, the untimely hail of some or all OCS boats or failure to hail any or all boats shall not be grounds for granting redress. This changes RRS 62.1.

## **15 PRIZES**

**15.1** You are invited to the Club Deck for complimentary beverages and hors d'oeuvres with the trophy presentation after each day's racing. Perpetual trophies will be awarded after each individual event and will be based on overall corrected times, regardless of division. The Youth Challenge award will be presented at the same time.
