- 1.6 The sailing instructions may change additional racing rules.
- 1.7 In rule 41(c) ‘information freely available’ is defined as not requiring a fee to be paid for information. Whether the fee is large or small, paying to receive information means that that information is not available at no monetary cost, and therefore the information is not ‘freely available’. RRS 3 states: ‘The responsibility for a boat’s decision to participate in a race or to continue to race is hers alone.’ By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury.

Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

11 INSURANCE

Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of \$100,000 per incident or the equivalent.

12 PRIZES
