Clinic #4 (November 22-23)

Sailors participating in SFYC Racing Programs and Teams are not required to be SFYC Members, but membership is highly encouraged. Sailors looking to apply for SFYC membership will first need to identify 2 Regular SFYC Members to act as primary and secondary sponsors. You will reach out to your primary sponsor who will request an application on your behalf. Non-members participating in this program will be extended the Member rate as long as they are moving forward in the junior membership process and that is completed by season-end (Dec 31). If not completed, charges will be retroactively billed for the Program at the non-member rate.

See Junior Membership Document for more information about SFYC Junior Membership.
