

THE SAN FRANCISCO YACHT CLUB
Youth Dry Storage Agreement

Small boat dry storage at the SFYC facility is limited to active SFYC Youth Race Team Members for storage of small sailboats (16' or less). Boats being stored must be personally owned (or leased) by the individual occupying the storage space. The individual maintains all liability for their property while it is stored at the SFYC and agrees to be governed by the Small Boat Storage Policy detailed below and the rules and regulations of The San Francisco Yacht Club Youth Sailing and Harbor Departments.

1. Boats, trailers, and associated equipment must be maintained in a presentable condition acceptable to the Youth Sailing and Harbor Committees, and all trailers must be operable, including air in tires, in the event a boat needs to be moved for maintenance or an emergency.
2. All equipment must be labeled to allow The SFYC staff to distinguish personal boats and equipment.
3. Sails, halyards, leads, other parts of the boat, and boat covers must be properly secured.
4. Dry storage trailers need to be parked and secured when the associated boat is launched and in the water. Do not block and aisle by parking a vessel/trailer/vehicle in the middle of it.
5. All stored boats must be maintained in seaworthy condition. The SFYC retains the right to request a boat be removed from the premises if it is not adequately maintained.
6. During certain specific events, the SFYC retains the right to require small boats be temporarily removed from the premises by their own. This right is reserved to allow the SFYC to maximize facility use for events/action that are beneficial to the club (hosting one-design or local regattas, necessary construction or improvements, etc.).
7. Every effort shall be taken by all renters to extend the utmost courtesy to your fellow renters. This includes the coiling up of hoses when you are finished using them, even if you found them uncoiled.
8. Every effort shall be made to maintain a clean and presentable dry dock. This includes picking up any/all debris and garbage, properly disposing of and recycling whenever possible.

I understand that by occupying the dry boat storage at The San Francisco Yacht Club, I/we agree to comply with the conditions shown above and the by-laws and policies of The SFYC as they apply now and in the future. I also understand that the offer of boat storage is not automatic, but is subject to availability and to the approval of the Youth Sailing Office acting on behalf of the members of The San Francisco Yacht Club.
