

THE SAN FRANCISCO YACHT CLUB

98 BEACH ROAD * BELVEDERE * CALIFORNIA 94920

Hello Etchells Enthusiasts,

It is with great pleasure that I welcome you to The San Francisco Yacht Club for the 2017 edition of the Etchells World Championship. The San Francisco Yacht Club has hosted this event previously in 1991, and we are delighted to have it return.

The San Francisco Yacht Club has been a long-time supporter of the Etchells Class, having hosted the Etchells World Championship, North American Championship, Pacific Coast Championship, Easom Founders Regatta, as well as numerous other events. This year is no different, we will be hosting several events prior to the World Championship, and we welcome your participation. The Etchells events that the SFYC will be hosting this year include:

| | |
|------------------------|-----------|
| Resin Regatta | 4/29-4/30 |
| Elite Keel | 5/20-5/21 |
| Easom Founders Regatta | 9/16-9/17 |

The local Etchells Fleet 12 will be hosting some additional events. Details to those events can be found on the Etchells Fleet 12 website: www.etchellsfleet12.com

In addition to providing you with some world class championship sailing in the prime of our season, we want you to feel welcome at The SFYC. You may make purchases from the bar, galley, or burgee shop by presenting a credit card at the front office which can be found by the front door. You will be provided with a guest card that will provide you with charging privileges.

Enjoy the racing, Club and sail fast!

Regards,

Commodore Jerry Eaton
